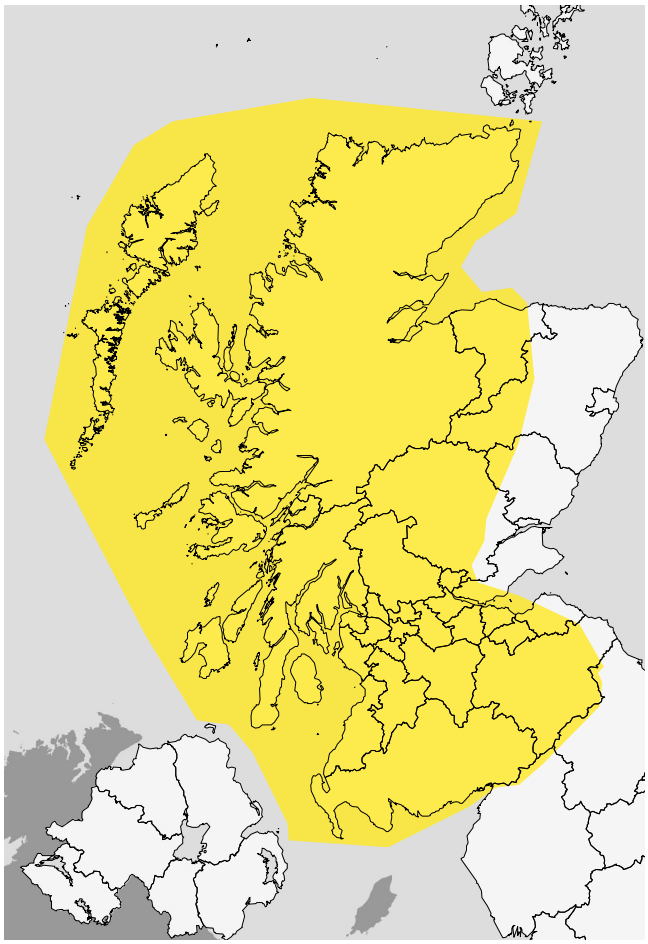
Yellow warning
Snow & Ice

Between
00:00 Wed 12 Feb 2020 and
12:00 Wed 12 Feb 2020



Snow showers and icy stretches may lead to further disruption on Wednesday morning.

What to expect

- There is a small chance of travel delays on roads with some stranded vehicles and passengers, along with delayed or cancelled rail and air travel
- There is a slight chance that some rural communities could become cut off
- There is a small chance that power cuts will occur and other services, such as mobile phone coverage, may be affected
- A small chance of injuries from slips and falls on icy surfaces
- A small chance that untreated pavements and cycle paths become impassable

Further details

Further snow showers are likely across western Scotland on Wednesday morning. These are likely to lead to further accumulations of snow above around 100 metres with 5-10 cm of snow possible above around 250 m. Any snow accumulations over lower ground are likely to be temporary. Icy surfaces will be an additional hazard along with strong winds leading to some blizzard conditions at times.

Very low likelihood of medium impacts
